## Pavilion Parkway Road Repairs

Beginning November 9, 2015 a section of Pavilion Parkway will close to facilitate road repairs. (SEE MAP)

The section of road being repaired is between Chesapeake Avenue and an access point just beyond building "C". Building "C" contains Aspen Dental, Subway, Mattress Firm, Wing Eye Care and AT&T. This section of Pavilion Parkway is scheduled to close, both directions, on Monday November 9, 2015 and remain closed until the repairs are complete. It is anticipated that the repairs will take 3-4 days.

Access to the shopping complex on the South side of the Kroger Gas Station will remain open during this work. Through traffic will need to utilize the parking lots isles to bypass the closure.

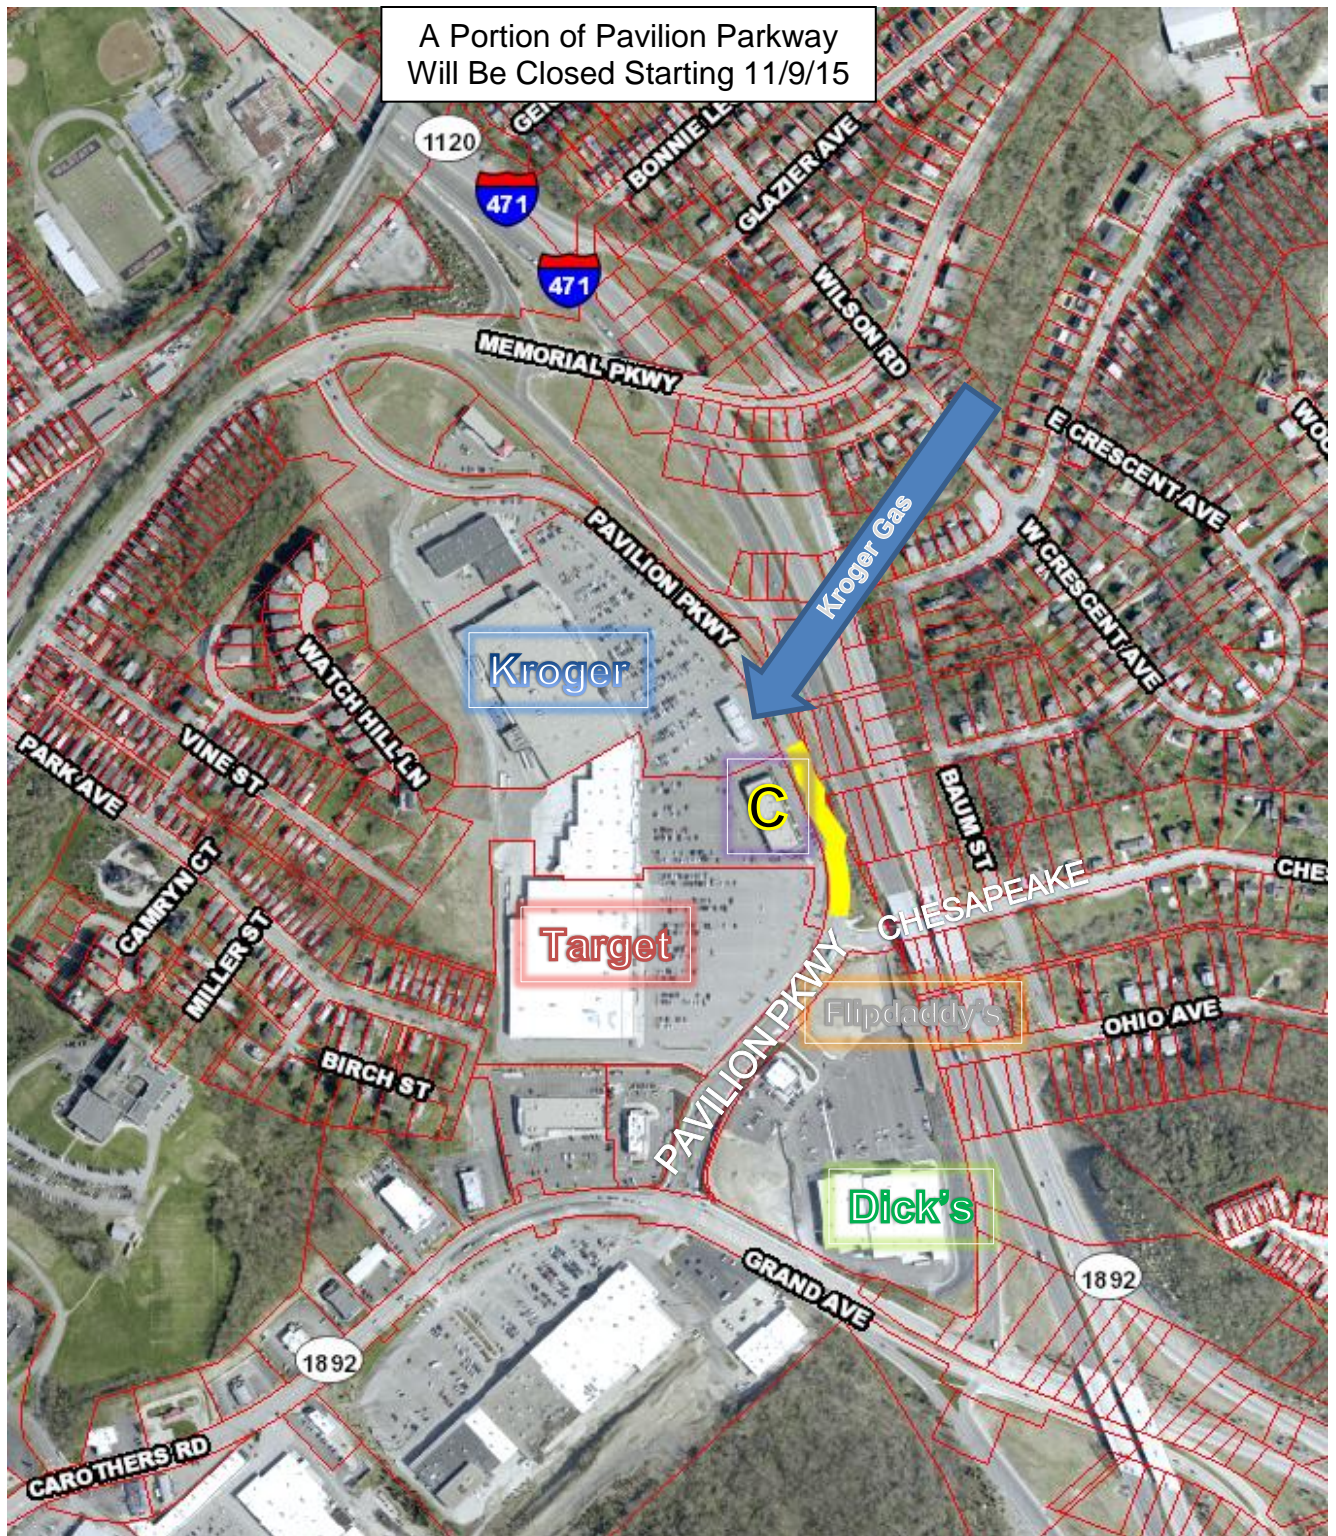

We apologize for any inconvenience this may cause. This work is necessary to properly repair Pavilion Parkway.

All Stores will remain open during this partial road closure.

I want to thank you for your cooperation and understanding

For questions regarding this project please contact Doug Roell, Newport Community Services Director at 859-912-2541.

**A portion of Pavilion Parkway** in Newport will be closed, weather permitting, starting on Monday, November 9, 2015 for approximately 3-4 days for road repair. Traffic will be routed through the parking lot, all stores will be accessible and are expected to remain open during this temporary closure of a portion of the road. Both northbound and southbound lanes will be closed between Chesapeake (near Flipdaddy's) and the driveway between Building C and the Kroger Gas station. Please use extra caution. We appreciate your patience as these repairs are made.
